## Solo:

Dump out all 25 moustaches. Using only one hand, pick up one moustache by the end. Hook the other end around the end of a second moustache. Now hook your second moustache to a third. Make a chain of as many moustaches as possible, without dropping any.

Go to [www.SackofMoustaches.com](http://www.SackofMoustaches.com) see the current world record.  
Can you beat it?!

## All Play:

Each player takes one moustache. All at once, players begin to make their own moustache chain until the moustaches are gone, or until a player with the most moustaches is determined to be the winner!
